

Goodbye Baby

Friday Hill

Ooh, bye bye
Ooh, bye bye Goodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
I'm gonna leave you now Goodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
Johnny's going away You were wrong, pretty baby, bye bye
Oh, so wrong, pretty baby, bye bye
Yes, so wrong, pretty baby, bye bye
Please don't you cry Oh, goodbye baby, baby, bye bye
Goodbye baby, baby, bye bye
Goodbye baby, baby, bye bye
I'm gonna leave you now Baby, bye bye, baby, bye bye
Baby, bye bye, baby, bye bye
Baby, bye bye, baby, bye bye
Baby, bye bye, baby, bye bye Oh, goodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
Johnny's going away Take my hand, pretty baby, bye bye
One more time, pretty baby, bye bye
Take my hand, pretty baby, bye bye
Hope you'll understand Oh, oh
Goodbye, bay-hey, hey, hey
Goodbye, bay-hey, hey, hey Ooh, bye bye
Ooh, bye bye
