

You've Changed (Studio Rio Version)

[Billie Holiday](#)

You've changed
That sparkle in your eyes is gone
Your smile is just a careless yawn
You're breaking my heart
You've changed You've changed
Your kisses now are so blase
You're bored with me in every way
I can't understand
You've changed You've forgotten the words, I love you
Each memory that we've shared
You ignore every star above you
I can't realize you've ever cared You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now
You've changed You've forgotten the words, I love you
Each memory that we've shared
You ignore every star above you
I can't realize you've ever cared You've changed
You're not the angel I once knew
No need to tell me that we're through
It's all over now
You've changed
You've changed
