Ford Mustang

Donnis

hey i'm just riding round town, shawty doing my thang
in my ford mustang, and my speakers, bang, bang
and my speakers, bang, bang x 2
notorious for rolling BIG, my hustle grand
you ain't see me out with TIP
you minimal, I max nigga 3-D
push button TV in its whip '63
6 + 3 sitting up under the seat
she's 6 x 3... sitting next to me
if they ain't ... nothing but a number better see an ID or
be gone for the summer
speaking of summer yeah, i'm bout to take that
these wheels cost me a fortune, say jeah
and my niggas gonna find you
i chase money i don't need to remind you
would chase bitches but i never got the time to
but i take some head if she
there's some things that i cannot ...she from a single mother home
so i feel that for her when i'm
riding round town, shawty doing my thang
in my ford mustang, and my speakers, bang, bang
and my speakers, bang, bang x 2
yoh, out sipping pelegrino with my filipino

bout to hit that north side to see my nigga zino
gold chain tucked in ??
move it fast, put your ass from 60 to 0
neighborhood hero, south side legend
see me riding throw the dueces, ronald reagan
hit first gear, switch to second
hit TREE SOUND, start up a session
sound to the beat, i light up a swisha
niggas feel my 16's like a child molester
make me pusha T on them
gold chain, making mr. t on them
yeah nigga, i am rolling with the A-Team, Academy
pyramid game, they mad at me , but i don't hear a thang
cause my speakers just bang bang
hey i'm just riding round town, shawty doing my thang

in my ford mustang, and my speakers, bang, bang
and my speakers, bang, bang x 2
and i'm rocking and i'm rolling, ain't no stopping
cause i'm going till the wheels fall off, till the wheels fall off x 2
bang, bang
hey i'm just riding round town, shawty doing my thang
in my ford mustang, and my speakers, bang, bang
and my speakers, bang, bang.
