Tommyknockers (Demo)

Blind Guardian

She's opening her eyes
To find the thing by a touch she's lost
It's waiting for her a long time
The kingdom's lost 'cause there's one nail missingPlaying with fire
Turn of the light and she'll fall down
Playing with her life
But she can't leave it there's one rhyme in her brainOh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back door
Oh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back door
TommyknockersThe pain in my head
The cycle awakes
I'm on my way to Oz
I want to drink and she wants to digShe's in trouble oh I know
There's something going wrong
Tommyknockers on their way
What's up in 'Leighton Street'?Oh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back door
Oh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back doorI'm the hero, I'm back
With weapons and with magic spells
I'll saddle every task
An old, ill and drunken guyThe moon is full of blood
I've found her not, not far from home
I should better get away from here
She's on her way to be another onePlaying with fire
She can read my thoughts it's too late
Playing with her life
Tommyknockers brought her troubleThe ship in the earth I touch
A vibration is filling me and music is in my head
Nose is bleeding and my fall down
Filled me up with pain
[Incomprehensible]You'll be like a Tommyknocker
I will be like you
But there's something going wrong
I read it in your faceOh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back door
Oh, last night and the night before
Tommyknockers, Tommyknockers knocked at your back doorTommyknockers knocked at your back door

Tommyknockers knocked at your back door
