

Half On A Baby

Shivaree

Oh, na, na, na, na, na, na, na
Oh, na, na, na, na
Oh, na, na, na, na, na, na, na
Oh, na, na, na, na

Turn the lights down low
I'm gonna break it off
Since computer love
I wanna set it off

Like a hotel room
I'm checking into you
I'm digging like a shovel
All the things you do, okay

Over the broom
That's how you make me feel
Come into this room
And weâ€™ll keep it real

And go half on a baby
All I need is your body next to me
Singing oh, na, na, na, na, na, na, na
Oh, na, na, na, na

We go half on a baby
All I need is your body next to me
I'm singing oh, na, na, na, na, na, na
Oh, na, na, na, na

Like a baseball field
I wanna hit a home run
Me and you together, babe
Raise a little one

Trippin' on PÃ©rignon
Conversation like what
Not afraid to go downtown
Once you open up

After nine to five
I deserve some twelve
Making future plans
To be where I dwell

And go half on a baby
All I need is your body next to me
Singing oh, na, na, na, na, na, na
Oh, na, na, na, na

And go half on a baby
All I need is your body next to me
Singing oh, na, na, na, na, na, na
Oh, na, na, na, na

Oh, na, na, na, na, na, na
Oh, na, na, na, na
Oh, na, na, na, na, na, na
Oh, na, na, na, na

Oh, na, na, na, na, na, na, na
Oh, na, na, na, na

And go half on a baby
All I need is your body next to me
Singing oh, na, na, na, na, na, na
Oh, na, na, na, na
