

Happy

Carmen Rasmusen

Baby, just look at what you've done to me, baby
I'm havin' so much fun with you, baby
I swear you're the one for me
Talkin', I could stay up all night talkin'
How many hours now we've been talkin'?
Oh, I ain't gonna get no sleep
But that don't matter to me 'Cause this is me happy, this me smilin'
This is me all lit up inside and
This me reelin' in love, so high
I don't wanna come down
Yeah, this is me happy now
Happy, happy Honey, we're [Incomprehensible] honey
Yeah, this is feelin' right and the money
Oh, ain't it the craziest thing
Better, baby, it just keeps gettin' better
Don't know how it could be any better?
Even in my wildest dreams
Beats all I've ever seen 'Cause this is me happy, this me smilin'
This is me all lit up inside and
This me reelin' in love, so high
I don't wanna come down
Yeah, this is me happy now
Happy, happy now
