Stay

Khalid

Oh, oh, oh, oh
In the back of my mind I know it's hard on us
But to tell you the truth there's no more love, no more love
It's not easy to say you're giving up
And I've been losing countWhen the seconds turn to minutes into hours
You've been working 9 to 5
So it was hard to find the time for me, yeah
Are we gonna be alright
If I come through tonight
Baby can I stay a while
It's hard to say goodbye when I'm leaving, yeah
Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a while
It's hard to say goodbye when I'm leaving
Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a whileAll the shit that you say, do you mean it?
And when you tell me you love me do you believe it?
I can see it in your eyes you've had enough of it
And I've been missing out
When the seconds turn to minutes into hours
Working 9 to 5 cause it's hard to find the time for me, yeah
Are we gonna be alright
If I come through tonight, yeah
Baby can I stay a while
It's hard to say goodbye when I'm leaving
Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a while
It's hard to say goodbye when I'm leaving
Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a whileBaby can I stay a while
It's hard to say goodbye when I'm leaving
Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a while
It's hard to say goodbye when I'm leaving

Let me inside, go 9 to 5
Just know I'm coming home for a reason
Baby can I stay a while
