Crazy music
crazy music for crazy people
crazy people.
Crazy music
crazy music for crazy people
crazy people.It's time you start to danceI'll get into a dance and my heart's on fire.
My heart's on fire.I'm burning like a flameYou're driving me insane
I'm crazy about you
Baby.Crazy music
crazy music for crazy people
crazy people. . . .So Baby
be aware
there's dancing in the airTake care of you
take care of you.Don't let it get too hotFor there's no way to stop the passion inside my heart.Crazy music
crazy music for crazy people
crazy people. . . .
Crazy music
crazy music for crazy people
crazy people. . . .
It's time you start to dance
. . .
Don't let it get too hot
. . .
Crazy music
crazy music for crazy people
crazy people. . . .
Crazy music
crazy music for crazy people
crazy people. . . .
Crazy music
crazy music for crazy people
crazy people. . . .
