Pipe Down

Dreadlock Pussy

Who the something?
Who the someone?
Who the nothing?
Who? You everyone...LOOK WHAT YOU MADE OF MELook inside, the beauty boy
My needs reach way offline
Only compared to yours
Only prepard by your inability to communicate
You make me me inside
To take it away is right
You want some of this?
I gotta get pissed
I just wish (I just wish)NEEDS (3x)
LOOK WHAT YOU MADE ME BE
NEEDS (2x)
LOOK WHAT YOU MADE ME BE
NEEDS (2x)And now it's over
And now it's done
Over nothing
Over everyone
Stare into my hollow eyes
Leaks bleed ahead of time
If I can't take from you what's mine
I need you toGive me what I'm entitled to
Give me what I'm entitled to
Give me what I'm entitled to
What I've been waiting so long for
What I can never have
It's all I'm satisfied with
All that I can live with
All that's denied to me in the past
Now if only I knew what
If only I got some clue to what it is exactly I crave
Then I'd had to search out
Find a way and go get
And not have to sit around and NEED!LOOK WHAT YOU MADE ME BE
(Needs) NEEDS
LOOK WHAT YOU MADE ME BE, BE
NEEDS (2x)
LOOK WHAT YOU MADE ME BE

NEEDS(Make me be)
