

Seventy-Six Sol Cohens

Allan Sherman

76 Sol Cohens in the country club
And 110 nice men named Levine
And there's more than a thousand Finks
Who parade around the Links
It's a sight that really must be seen
76 Sol Cohens lead the big parade
With 109 Irv Kleins right behind
But the loveliest men I've known
Are the men they call Sol Cohen
At that good old country club of mine
Oh, there's Sol the drugstore man and Sol the furrier
Sol from coats
Sol from shoes
Sol the builder, too
And on Sol Cohen is known as Sol the worrier
He's so rich, what else has he got to do
Oh, there's Sol who manufactures ladies' lingerie
Sol from shirts
Sol from ties
Sol the commodore
The country club is full of Sols
And all the Sols are living dolls
But who's staying home to watch the store
