Dancing In the Streets

Boney M.

Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streetsDancing in the streets
With any one you got to meet
Moving to the rhythm
Let your body feel the beat
Dancing in the streets
Let your feelings hanging out
Give it all you've got
Keep on dancing, sing and shout!Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streetsDancing in the streets
With any one you got to meet
Moving to the rhythm
Let your body feel the beat
Dancing in the streets
Let your feelings hanging out
Give it all you've got
Keep on dancing, sing and shout!Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streetsKeep on, keep on, keep on dancing
Keep on, keep on, keep on dancing
Keep on, keep on, keep on dancing
Keep on, keep on, keep on dancingKeep on, keep on, keep on dancing
Keep on, keep on, keep on dancingKeep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
Keep on dancing in the streets
