

Love You Back

Tyrone Taylor

Oh Oh Baby,
Sorry for the hurt I caused you I'm gonna love you back to loving me again
And make you feel the way you did back then
I can't let you go so I pretend
I'm gonna love you back to loving me again I was telling lies and whistled off the truth
I played around and broke your heart in two
I realized the wrong I've done to you
So if you take me back here's what I'm gonna do I'm gonna love you back to loving me again
And make you feel the way you did back then
I can't let you go so I pretend
I'm gonna love you back to loving me again Oh please forgive me for all my lies
Give me a change and I'll make things right
I realized the fool I've been at last
So I'm picking up the pieces of my past I'm gonna love you back to loving me again
And make you feel the way you did back then
I can't let you go so I pretend
I'm gonna love you back to loving me again Oh Baby
Shubab Shubab
Oh oh baby
Yeah yeah
One more time year
Ohhh Oh please forgive me for all my lies
Give me a change and I'll make things right
I realized the fool I've been at last
So I'm picking up the pieces of my past I'm gonna love you back to loving me again
And make you feel the way you did back then
I can't let you go so I pretend
I'm gonna love you back to loving me again
