

One Way Road (Radio The Edge, Toronto)

Oasis

I want to get high, but I never could take the pain
'Cause it would blow away my soul like a hurricane
Like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came Where we gonna be in summertime?
And are we gonna see the heavens shine
Like diamonds in the sky? As soon as they come
The feelings they go
All alone, on a one way road As soon as they come
The feelings they go
All alone, on a one way road I want to get high, but I really can't take the pain
'cause it will blow away my soul like a hurricane
I'm like a one man band clapping in the pouring rain
If I know where I'm going, I don't know from where I came Where we gonna be in summertime?
And are we gonna see the heavens shine
Like diamonds in the sky? As soon as they come
The feelings they go
All alone, on a one way road As soon as they come
The feelings they go
All alone, on a one way road
