

Rooftops

Lostprophets

When our time is up
When our lives are done
Will we say we've had our fun Will we make a mark,
This time
Will we always say we tried Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
This is all we got now
Everybody Scream your heart out All the love I've met
I have no regrets
If it all ends now, I'm set Will we make a mark,
this time
will we always say we tried Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
This is all we got now
Everybody Scream your heart out Standing on the rooftops
Wait until the bombs drop
This is all we got now
Scream until your heart stops
Never gonna regret
Watching every sunset
We'll Listen to your heartbeat
All the love that we found Standing on the rooftops
Wait until the bombs drop
This is all we got now
Scream until your heart stops
Never gonna regret
Watching every sunset
We'll Listen to your heartbeat
All the love that we found Scream your heart out
Scream your heart out
Scream your heart out

Scream your
Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
Standing on the rooftops
Everybody scream your heart out
This is all we got now
Everybody Scream your
