Ask Me How I Feel

Tina Turner

Oh, waitin' in the storm
Ask me how I feel?
When things are goin' wrong
Why don't you ask me how I feel?
The night is awful cold
Ask me how I feel?
You're much too loose to hold
Why don't you ask me how I feel?I close my eyes
To follow you
To my surprise
You're so untrueAnd I'm cryin'
I'm dyin'Oh I'm waitin' in the storm
Ask me how I feel
And when you keep me hangin' on
Why don't you ask me how I feel?
The waters run so deep
Ask me how I feel
When I don't get any sleep
Why don't you ask me how I feel?And when you're down
You lean on me
You're a fool
Too blind to seeThat I'm cryin'
I'm dyin'Oh I'm waitin' in the storm
Why don't you ask me how I feel?
Oh what the hell is goin' on?
Why don't you ask me how I feel?When you stay out late at night
Oh ask me how I feel
When you think that I'm uptight
Why don't you ask me how I feel?
Oh oh ohYou don't treat me tender
No matter what I do
But I'm the great pretender
Woah ho ho hoI'm waitin' in the storm
Come on an' ask me how I feel
When things are goin' wrong
Why don't you ask me how I feel?
The night is awful cold
Ask me how I feel
You know you're much too loose to hold

Why don't you ask me how I feel?I'm waitin' in the storm
Ask to me how I feel
What the hell is goin' on?
When you stay out late at night
You never ask me how I feel
You just say that I'm uptight
When you're down I do for you
And now I find that you're untrue
Ho oh oh oh oh ohI'm waitin' in the storm
Ask me how I feel
When things are goin' wrong
Come on an' ask me how I feel
The night is awful cold
Ask me how I feel
You know you're much too loose to hold
Come on an' ask me how I feel, ow(Oh I'm waitin' in the storm)
Ask me how I feel
(When things are goin' wrong)
Come on an' ask me how I feel
(The night is awful cold)
An' ask me how I feel
(You're much too loose to hold)
You never ask me how I feel(Oh I'm waitin' in the storm)
Ask me how I feel
(When things are goin' wrong)
Come on an' ask me how I feel
(The night is awful cold)
Ask me how I feel
