

Seeking the Wise

P.O.D.

The world keeps on turning
And you're locked up in it [4x]
Before I was lost, but now I am found [4x]
Seeking the Wise [4x] I'm in like that and I'm right on time
I'm looking for the King and will find the way
The truth and the one that gives life Payable on Death
And we're seeking the wise, no where to run looking for the Son No where to run
[2x] You are, you are the one
[4x]
