

Ready To Roll

Xcursion

Girl I've been at work all week
Fingers to the bone
I need a little hit of you and me
A little time alone All day I've been thinkin' 'bout
Quittin' early, skippin' out,
And haulin' ass to hit the couch
And hang with you at home. CHORUS:
We've got some laid-back country tunes on the radio
We gonna burn all afternoon like it's something to smoke
We ot a whole lot of nothin' to do and nowhere to go
so baby I don't know about you but I'm ready to roll Let other fools go paint the town
We'll just hold the sofa down
'Til Monday morning rolls around
I'll tell you what let's do You go grab them tater chips
I'll whip up some party dip
Ane we'll kick back and take a trip
And sip a beer or two. CHORUS (x2) Yeah I'm ready to roll, ready to roll
