

Call Your Girlfriend - Feed Me Remix

[Robyn](#)

Then you tell her that the only way her heart will mend
Is when she learns to love again
And it won't make sense right now
But you're still her friend
And then you let her down easy

Tell her not to get upset
Second guessing everything, you said and done
And then when she gets upset tell her
How you never meant to hurt no one, let her down easy

Tell her not to get upset
Second guessing everything, you said and done
And then when she gets upset tell her
How you never meant to hurt no one, let her down easy

Tell her not to get upset
Second guessing everything,
Tell her not to get upset
Second guessing everything,
Tell her not to get upset
Second guessing everything, you said and done
And then when she gets upset tell her
How you never meant to hurt no one,

Tell her not to get upset
Second guessing everything, you said and done
And then when she gets upset tell her
How you never meant to hurt no one, let her down easy

Don't you tell her how I give you something
That you never even knew you missed
Don't you even try and explain
How it's so different when we kiss

Don't you tell her how I give you something
That you never even knew you missed
Don't you even try and explain
How it's so different when we kiss
