In My Heart

My Favorite Highway

Lyrics to In My Heart :
This life is so crazy
so could you please remind me
It's simple
It's easy
with you right here beside meCause I don't even wanna try to get by without you
that's the reason why i'm writing this song
about the way you make me feel
it's never felt so real, no, noi have you in my heart
no distance could keep me apart, love
you are the only thing
thats keeping my heart still beating
cause i just can't let you go
even if you wanted to
you know that you'll always have my heart
and i'm not letting you go
and i'm not letting you goif you wake up and your bad day
feels more like a clich
with each kiss i'll replace
the sad look on your faceCause I don't even wanna try to get by without you
that's the rason why i'm writing this song
about the way you make me feel
it's never felt so real, no, noi have you in my heart
no distance could keep me apart, love
you are the only thing
thats keeping my heart still beating
cause i just can't let you go
even if you wanted to
you know that you'll always have my heart
and i'm not letting you gowhoa, oh, oh, no
whoa, oh, oh
whoa, oh, oh, no
whoa, oh, oh
whoa, oh, oh, no
i can't escape your love [x2]i have you in my heart
no distance could keep me apart, love
you are the only thing
thats keeping my heart still beating
cause i just can't let you go

even if you wanted to
you know that you'll always have my hearti have you in my heart
no distance could keep me apart, love
you are the only thing
thats keeping my heart still beating
cause i just can't let you go
even if you wanted to
you know that you'll always have my heart
and i'm not lettin you go
