Ice Cream Love

Johnny Osbourne

I don't want no ice cream love
That's too cold for me little girl
I don't want no ice cream love
Girl can't you see

I want a love that's warmer than the summer sunshine
I want a love that's as warm as mine
Because my love is warmer than a chocolate fudge
Because my love is warmer than a chocolate fudge
And that is why

I don't want no ice cream love
It is too cold for me girl
I don't want no ice cream love
It's too cold can't you see little girl
I don't want no ice cream love
It's too cold for me

Love in the winter should be warmer than the summer sun
But if you're giving me a ice cream love little girl that's no fun
And that is why I say

Because my love is warmer than a chocolate fudge
I say my love is warmer than a chocolate fudge

I don't want no ice cream love
It's too cold for me
I don't want no ice cream love
Little girl can't you see no no

I want a love that is warmer than the summer sunshine
I want a love that is warm and pure as mine
That's why I say

Because my love is warmer than a chocolate fudge
I say it again
I say my love is warmer than a chocolate fudge

No I don't want no ice cream love

It is too cold for me

I said love in the winter should be warmer than the summer sun
Giving me the ice cream love little girl that's no fun
And that is why I say

My love is warmer than a chocolate fudge
That's why I don't want no ice cream love
It's too cold for me yeah

No no no no no no ice cream love love love love
It's too cold for me
No no no no no no no ice cream love at all
No nah no no no no no ice cream love
It's too cold for me
No ice cream love
I don't want it
Because my love is warmer than a chocolate fudge
