

Tender As I Wanna Be

Toby Keith

I know sometimes you need me to be tender
I don't give you much to go on
So I'm amazed so how you hold onto me
Baby girl I've never been this close before
Never opened up that door
I'm still finding my way
Something else that lovers do
When I've been by myself
Never had to talk about
Moving in with someone else

Then you kissed my face
And it makes me smile
Girl, I wanna lay with you right her with you
For a little while
When I feel that rush
Coming down all over me
You're as far as I can see
That's tender as I wanna be
Tender as I wanna be
Girl it's so tender

You know maybe it's that hard
To find someone to please me
If it could be a real true love
Sometimes don't come easy
No it don't come easy

Then you kissed my face
And it makes me smile
Girl, I wanna stay with you right her with you
For a little while
When I feel that rush
It's coming down all over me
You're as far as I can see
That's tender as I wanna be
Tender as I wanna be
Girl it's so tender
As I wanna be
