If I Had My Way

Bobby Valentino

Yeah, waddup?
It's your boy Bobby V, yeah, I'm back girl
If I had my way, if I had my way it would be you and me
DTP for real, Dark Child, let's make it happen, Bobby V, lets go
If I had my way
Slowly we both regret our oaths
To somehow be faithful but we both know
That we're missing out on love
And we feel it when we see each other
And we're with the ones we don't love
Girl you know, I know
The way we feel ain't gonna change
If I had my way
She wouldn't be with me
He wouldn't be with you
It would be you and me
If I had my way
You would give into me
And you'd be here next to me
And you would tell him to leave
If I had my way
It's so crucial, we're always [Incomprehensible] together
It's always been [Incomprehensible]
That you got yourself a man and I got myself a friend
We both know that if we act on this
How far will it go? You know, I know
The way we feel ain't gonna change, oh, girl
If I had my way
She wouldn't be with me
He wouldn't be with you
It would be you and me
If I had my way
You would give into me
You'd be here next to me
And you would tell him to leave
If I had my way
Baby, you know this feels so right, you and I
And we know that the time is right for us to shine
I?mma tell my girl that she's gotta bounce, baby

And you gone tell your man he needs to be out, oh
If I had my way
She wouldn't be with me
He wouldn't be with you
It would be you and me
If I had my way
You would give into me
You'd be here next to me
You would tell him to leave
If I had my way
If I had my way
She wouldn't be with me
He wouldn't be with you
It would be you and me
If I had my way
You would give into me
You'd be here next to me
You would tell him to leave
If I had my way
My way, my way
My way, my way
My way, my way
My way, my way
(If I had my way)
My way, my way
My way, my way
My way, my way
My way, my way
(If I had my way)
