Woohoo

Eli "Paperboy" Reed

I can't, I can't, I can't, I can't find my friends
But I don't need, don't need, don't need, don't need them to dance
Refrain:
I go (woohoo, woohoohoo)
Let me hear you go (woohoo, woohoohoo) Let me hear you go (woohoo, woohoohoo) Let me hear you go....I ain't, I ain't, I ain't, I ain't got no dough
But I don't need, don't need, don't need, don't need it to rollI got, I got everything I need
As long as you are, you are, you are here with me And I'm not, I'm not, I'm not gonna leave
'Cause it feels right, feels right, with you here with meWe don't, we don't, we don't, we don't need to flirt
Because I been, I been, I been, I been puttin' in the work And baby you ain't, you ain't, you ain't, you ain't gonna stop Until I, til I, til I, til I hear you popWhat am I doing now, where am I going now
I don't need to know and I don't care
Do just what you want with me I'll be what you want me to be You can take me, take me, take me anywhere

I'm gonna try to dance and it's gonna go a little bit like this Y'all been in a club before?
I said y'all been in a club before?!
And it goes like
Left foot and your left hand Left foot and your left hand Left foot and your left hand Right foot, STOP!
Allright...
And now your right foot and your right hand Right foot and your right hand
Right foot and your right hand
Right foot, STOP
