

Outlaw

The Cult

Terrorize, prophesize
Small town any place
Prodigal son, hey, loyal to none
 He had it all to say
Renegade from another world
 Child, he was the wild one
 Outlaw
From the badlands baby, badlands baby
 Outlaw
 Tomorrow will never come
 Jimi was a boogie man
 Took a shotgun in his hand
 Turned on dude candy-man
He walked into the wrong town
 Deputy dog man wait inside
 Jimi thought he'd better hide
 Suddenly changed his mind
 Shot 'em all on sight, yeah
 Outlaw
From the badlands baby, badlands baby
 Outlaw
 Dizzy in the head and feelin' bad
 Bandito
 Fallen angel, out of time
 Outlaw
 Tomorrow will never come
 Renegade from another world
 Yes, child, he was the wild one
 Outlaw
From the badlands baby, badlands baby
 Outlaw
 Dizzy in the head and feelin' bad
 Bandito
 Fallen angel, out of time
 Outlaw
 Tomorrow will never come
