Drop Me In The Middle

Natasha Bedingfield

[Natasha:]Woah woah, woah woah, woah woah, woah woah
[Bizzare:]Bizare from D12, my girl Natasha, from the low-end, hahaha
[Natasha:]I think I found the recipe of creativity
Put all you've got, then add some heart
They fence us in to break us down
But stil they can't shut us down
The walls are thin
But stil we're strong
We're broken but we beat as one
[Natasha:]Oh, I'm coming from the streets of London
What I'm saying happens everywhere,
[Bizzare:]Yeah
[Natasha:]Oh, so tryna do something different, something different
[Bizzare:]Sumthin' different
[Natasha:]don't care
Oh, but I wanna be where it's happening, where it's happening
[Bizzare:]What what what what what
[Natasha:]Drop me in the middle so I can make a ripple effect
Upon the ocean I'll be the moon that turns the tide
Drop me in the middle so I can make a ripple
A domino effect, falling through the sands of time
De de de de deh de de de deh de de de de deh de de de deh de
[Bizzare:]Uh, huh
[Natasha:]Think I'll change the temperature
'Til its the right weather
Here in the core, its getting warm
Too many channels, nothing on
To turn it off, it just takes one
[Bizzare:]Yeah
[Natasha:]Oh, I'm coming from the streets of london
What I'm saying happens everywhere
[Bizzare:]What
[Natasha:]Oh, so tryna do something different, something different
[Bizzare:]Gotta do somethin'

[Natasha:]So if youre standing on the side just watching get up get over here
Oh, cause you gotta be where its happening, where its happening
[Bizzare:]What what what what what
[Natasha:]Drop me in the middle so I can make a ripple effect

Upon the ocean ill be the moon that turns the tide
Drop me in the middle so I can make a ripple
A domino effect falling through the sands of time
De de de de deh de de de deh de de de de deh de de de deh de
[Bizzare:]Affectin' the world
Yeah, ah, D12
Bizzare the big kid that raps
A thousand kids with shower caps
How u like that
People hear D12 and start ??
But we be partyin' from Detroit to London
On the grassy hoods, wherever you want it
Matter of fact you can wiggle ma big stomach
Born in the ghetto, raised in the ghetto
I need a medal for gettin the hell out the ghetto
Cause all I do is wap and you stinks
And wish, the world was a better place
Cause when your up they try to take you down
Mess your day and turn your smile into a frown
and you aint worry, and I aint either
F bush, make bizzare a leader
Cause rap is my only way out
Ima dye my hair green and join no doubt
[Natasha:]Drop me in the middle so I can make a ripple effect
Upon the ocean ill be the moon that turns the tide
Drop me in the middle so I can make a ripple
A domino effect
[Bizzare:]Affectin' the world
[Natasha:]Falling through the sands of time
Drop me in the middle so I can make a ripple effect
Upon the ocean I'll be the moon that turns the tide
Drop me in the middle so I can make a ripple
A domino effect falling through the sands of time
[Bizzare:]Why you little
I've seen you big boy
[Natasha:]Drop me in the middle
[Bizzare:]Tasha bizzare
[Natasha:]Drop me in the middle
[Bizzare:]The big guy
