

# Opaline

Nourith Sibony

Summer dies here and so could I somewhere underneath  
Where the ground is made of stars and everything unclean

    Your opaline is everything I see

Your opaline brings me to my knees Summer dies here and so could I somewhere underneath  
    So much like the ones in and on my skin and somewhere in between

    This opaline is everything I see

Your opaline brings me to my knees Without you I am nothing, without you I can't believe  
    This gilded place has everything  
    But this comfort is not what it seems

It is not what it seems in between is everything I need Your opaline is everything I see  
    This opaline brings me to my knees  
    Your opaline brings me to my knees
