

# I Brake For Brunettes

[Rhett Akins](#)

Well I brake for brunettes, blonds in Corvettes  
Redheads, I stop on a dime, now the way I drive  
It's a wonder that I ever get anywhere on time So don't tailgate my pick-up truck  
Or you just might wind up in a wreck  
Now they ain't made the sticker for my bumper just yet  
But I brake for brunettes I let Firestone put me some new tires on just a few weeks ago  
But man I swear that wear and tear is already startin' to show  
Well I oughta just whistle or yell but man I can't help myself 'Cause I brake for brunettes, blonds in Corvettes  
Redheads, I stop on a dime, now the way I drive  
It's a wonder that I ever get anywhere on time Don't tailgate my pick-up truck  
Or you just might wind up in a wreck  
Now they ain't made the sticker for my bumper just yet  
But I brake for brunettes You'll see them big skid marks by the wave pool park  
And Judy's beauty salon  
And Lord I tore up the street in front of Betty's boutique  
Where they come out with mini-skirts on  
Well I know I'm gonna wear out my tread  
Down by Tina's tanning beds 'Cause I brake for brunettes, blonds in Corvettes  
Redheads, I stop on a dime, now the way I drive  
It's a wonder that I ever get anywhere on time So don't tailgate my pick-up truck  
Or you just might wind up in a wreck  
No they ain't made the sticker for my bumper just yet  
But I brake for brunettes I brake for brunettes  
Man I brake for brunettes
