

Dear Friend

Paul McCartney

Dear friend, what's the time?
Is this really the borderline?
Does it really mean so much to you?
Are you afraid or is it true? Dear friend, throw the wine
I'm in love with a friend of mine
Really truly, young and newly wed
Are you a fool or is it true?
Are you afraid or is it true? Dear friend, what's the time?
Is this really the borderline?
Does it really mean so much to you?
Are you afraid or is it true? Dear friend, throw the wine
I'm in love with a friend of mine
Really truly, young and newly wed
Are you a fool or is it true?
Are you afraid or is it true?
