

Don't Be a Fuck Boy (feat. Blake Rules)

Netherfriends

Iâ€™m never stressed
Iâ€™m sleeping well
Iâ€™m getting laid
My life is swell
And no one tells me what to do
I do exactly what I want to

Give it all you got and just have fun
Donâ€™t be a fuckboy and love everyone.
Give it all you got; just have fun
Donâ€™t be a fuckboy and love everyone.

Cha la la la la la la la la la la la la la la la
Cha la la la la la la la la la la la la la la la

Iâ€™m never sad
I donâ€™t work a job
Iâ€™m getting paid
So i donâ€™t need to rob
And no one tells me what to write
Yeah my life is pretty tight

So Give it all you got and just have fun
Donâ€™t be a fuckboy and love everyone.
Give it all you got; just have fun
Donâ€™t be a fuckboy and love everyone.

Cha la la la la la la la la la la la la la la la
Cha la la la la la la la la la la la la la la la

Girls just wanna have fun
Boys just wanna have sex
I just wanna write these raps and count these racks wanna sign these checks
Pay check pay check after pay check
Girl take your coat off like coat check
We can go to the stars like star-trek
After that rub my back and watch Bojack
Thatâ€™s Bojack horseman of course man
Shave my head Billy Corgan
I lay that pipe like an organ

Dirty shit like fortune
uh
I wish i had forehands to touch you youâ€™re so fine
But iâ€™m up to my neck like Toulouse-Lautrec
Yo thatâ€™s an old beastie boys line. aye
Aye aye girl come in here
And tell the room service donâ€™t come in here
Do you like wine this is Carmenere
Just me and my horsey named Paul revere
Aye. iâ€™m just having fun
Her booty do tricks call her magic buns
Back in the day we played magic cards
Now i write raps that are haphazard and
Other rappers donâ€™t go half as hard.
I say shit they donâ€™t got the heart to say
All they ever do is recycle shit so i leave em on the Curb on garbage day. aye aye aye.
Just have fun. say no to drugs and say no to guns.
Chicago is the city that save money runs
Go play in the sun everyday till you done.

Give it all you got and just have fun
Donâ€™t be a fuckboy and love everyone.
Give it all you got; just have fun
Donâ€™t be a fuckboy and love everyone.

Cha la la la la la la la la la la la la la la la
Cha la la la la la la la la la la la la la la la
