

Gorgonised Dorks

Agathocles

GORGONISED - Don't let people shit on your head

GORGONISED - Don't obey them like they've said

GORGONISED - Don't let them control your life

GORGONISED - Just remember that you're one of a kind GORGONISED - Majorities always tell you what to do

GORGONISED - But a free opinion is not taboo

GORGONISED - Be yourself, then you are unique

GORGONISED - Or be influenced, and be a fake
