Advisory - the following lyrics contain explicit language:

We die, we all
Cool night gave my truth for a lie
Will you be here when I try?
I'm not set, cannot do it yet
Will you be here when I try?
Our wealth breeds emptiness
Another day to compress
We die, we all
We die, we all
Lips are dry, you gave me drugs to try
Hold me when I die
The sky has frozen to a wall
We die, we all
Lips are dry, you gave me drugs to try
Hold me when I die
The sky has frozen to a wall
We die, we all
Our wealth breeds emptiness
We die, we all
We die, we all
