

# Ouch That Hurt

Dionne Bromfield

I've fall out a few times  
But never this far  
I never knew I'd  
surrender my heart  
Everytime that you leave  
You keep getting to me  
Now I'm starting to see  
This is love  
Chorus:  
Ouch that hurt  
come kiss it better  
oh my my  
oho hoo  
Ouch that hurt  
baby whatever you do  
let me be the one who  
kisses it better for you  
I'm insecure now  
and I'm feeling afraid  
For me it's a real thing  
But for you it is only a game  
Chorus:  
Ouch that hurt  
come kiss it better  
oh my my  
oho hoo  
  
Ouch that hurt  
baby whatever you do  
let me be the one who  
kisses it better for you  
Everytime that you leave  
you keep getting to me  
now i'm starting to see  
this is love  
Ouch that hurt  
come kiss it better  
oh my my  
oho hoo

Ouch that hurt  
come kiss it better  
kiss it better  
kiss it better  
Ouch that hurt  
come kiss it better  
oh my my  
oho hoo  
Ouch that hurt  
come kiss it better  
baby whatever you do  
let me be the one who  
kisses it better for you
