

# Wish (Nine Inch Nails Cover)

Silverstein

This is the first day of my last days  
I built it up now, I take it apart  
Climbed up real high  
Now fall down real far No need for me to stay  
The last thing left, I just threw it away  
I put my faith in God and my trust in you  
Now there's nothing more fucked up I could do Wish there was something real  
Wish there was something true  
Wish there was something real  
In this world full of you I'm the one without a soul  
I'm the one with this big fucking hole  
No new tale to tell twenty six years  
On my way to hell Gotta listen to your big time  
Hard line, bad luck, fist fuck  
Don't think you're having all the fun  
You know me, I hate everyone Wish there was something real  
Wish there was something true  
Wish there was something real  
In this world full of you Wish there was something real  
Wish there was something true  
Wish there was something real  
In this world full of you Wish there was something real  
Wish there was something true  
Wish there was something real  
In this world full of you This world full of you  
This world full of you  
This world full of you
