

I Wanna Be Your Man

Yukon Blonde

You're up all night
Your heavy tears
Ain't nobody coming
Take away all your fears
You're feeling weak
And you, you want that beat
My heavy heart is sinking
And I won't watch you leave.
Head in hands
And you're dancing free.
Well it ain't easy, babe
You don't me.
Well, you mean a lot to me,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
Your sunken cheeks tell me you need a drink.
Well, Dr. So-and-So will tell you don't know a thing.
I kissed in to watch you running
Wild as a wolf
Tell me everything'll be alright
You're high as a kite.
We used to dance in the back all alone
And you told me that you love me
Well, I
Well, you mean a lot to me,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
I wanna reach out
And grab you by your fears.
I wanna be the one to dry all your tears.
I wanna be there for you
You know I can.
I can show you

I can be your man.
Oh, baby, baby,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
You mean a lot to me,
I wanna be your man.
