Dance Away

Bryan Ferry

Advisory - the following lyrics contain explicit language:

Yesterday, well, it seemed so cool
When I walked you home, kissed goodnight
I said it's love, you said alrightIt's funny how I could never cry
Until tonight and you pass by
Hand in hand with another guy
You're dressed to kill and guess who's dying?Dance away the heartache
Dance away the tears
Dance away the heartache
Dance away your fears, dance awayLoneliness is a crowded room
Full of open hearts turned to stone
All together, all aloneAll at once my whole world had changed
Now I'm in the dark, off the wall
Let the strobe light up them all
I close my eyes and dance till dawnDance away the heartache
Dance away the tears
Dance away the heartache
Dance away your fears, dance away
Dance away, dance awayNow I know I must walk the line
Until I find an open door
Off the street onto the floorThere was I, many times a fool
I hope and pray but not too much
Out of reach is out of touch
All the way is far enoughDance away the heartache
Dance away the tears
Dance away the heartache
Dance away your fearsDance away the heartache
Dance away the tears
Dance away the heartache
Dance away your fearsDance away the heartache
Dance away the tears
Dance away the heartache
