Boys Say Go!

Depeche Mode

Boys say go, boys say go
Boys say go, boys say goYou don't understand, this is a demand
And I think that I have to show you
Try to look inside, take me for a ride
In the day and the night get to know youBoys meet boys, get together
Boys meet boys, it's forever
Don't say no, boys say goI can run away, if you never stay
And the rain and the pain and the sorrow
I'm not very sure when you close the door
If the end is the same as tomorrowBoys meet boys, get together
Boys meet boys, it's forever
Don't say no, boys say goBoys, boys, boys, boys
Boys say goYou don't understand, this is a demand
And I think that I have to show you
Try to look inside, take me for a ride
In the day and the night get to know youBoys meet boys, get together
Boys meet boys, it's forever
Don't say no, boys say go
