

Give Up On You

[Andrew W.K.](#)

We won't give up on you
Won't let you down
If you need a friend If you're feeling sad
If you're feeling low
(If you're feeling low)
You can count on us
We will give you hope
We will make you strong
We will show you love
Only love We won't give up on you
If thoughts grow dark
And you feel alone
If you're feeling bad
If you're feeling hurt
(If you're feeling hurt)
If you're on the floor
We will raise you up
We will heal your heart
We will show you love
Only love
