

Black Sweat

Prince

Workin', workin' up a black sweat [Repeat: x4]I don't want to take my clothes off,

But I do.

I don't want to turn nobody on,

Unless it's you.

I don't want to dance to hard, baby

But this is a groove (yes it is! Fonky)

I'm hot, and I don't care who knows it,

I got a job to do (think I ain't, come on)I'm workin', workin' up a black sweat

I'm workin', workin' up a black sweat

I'm workin', oooh!

Workin' up a black sweat

Workin', workin' up a black sweatI don't want to hurt your pride,

But I got to (got to hurt 'em, gonna hurt 'em)

You better take your woman and hide, (hide)

I'm about to (come, what you gotta do boy! got to, got to)

Honey what's really good (sugar what's really good)

Break you off like you knew I would

I got a brand new dance

I got a brand new dance

And it's called theWorkin', workin' up a black sweat

I'm workin', workin' up a black sweat

I'm workin'

Workin' up a black sweat

Workin', workin' up a black sweat

Workin' up a black sweat

Workin'Breakdown

You can act hard if you want to

This groove will make you sweet

You be screamin' like a white lady

When I count two three

One, two, three!Workin', workin' up a black sweat

I'm workin', workin' up a black sweat

I'm workin', workin' up a black

Oh, workin' up a black, hey!

Black sweat.
