

# Gita (Anstam's Dusted Dance Edit)

## Moderat

While we're staying  
When I run out on you I saw you falling  
And burst like porcelain  
Fragile and precious  
Nothing broke a shard  
We blew it all  
We blew it all  
We blew it all While we're staying  
When I run out on you I saw you falling  
And burst like porcelain  
Fragile and precious  
Nothing broke a shard  
We blew it all  
We blew it all  
We blew it all
