

# Destined For Glory

## HammerFall

Once upon a time in a forlorn land,  
A man on a mission was left at fates hand  
In his eyes you could see the whites turn red  
Surrounded by evil, abandoned for deadBorn on the run by the sign of the sun  
A mail-clad warrior, the chosen one  
His name's been cursed, he is bound to fail  
A wandering spirit with the will to prevailBy the sign of the moon,  
He swore the oath to fight aloneFight with your heart, and you're Destined For  
Glory

But fight without honor, and you're destined to  
FallHe still can recall his father's words  
"Don't loose your faith, let your voice be heard"  
Echoes from the past will lead him on  
By these words of honor, shine like the sunBy the sign of the moon  
He swore the oath to fight aloneFight with your heart, and you're Destined For  
Glory

But fight without honor, and you're destined to  
Fall  
Fight with your heart, and you're Destined For  
Glory

But fight without soul and you will loose it allThe prophecies spoke of a wandering man  
Skilled with steel, black as the nightNormally veiled from the mortal eyes  
His hammer arose like a magic force  
With a gaze that turned everything into stone  
The warrior spoke, "I am the one"Fight with your heart, and you're Destined For  
Glory

But fight without honor, and you're destined to  
Fall  
Fight with your heart, and you're Destined For  
Glory

But fight without soul and you will loose it allFight with your heart, and you're Destined For  
Glory

But fight without honor, and you're destined to  
Fall  
Fight with your heart, and you're Destined For Glory  
But fight without soul and you will loose it all
