

# LoveStoned/I Think She Knows (Interlude)

Justin Timberlake

Hey  
She's freaky and she knows it  
She's freaky but I like it  
Listen She grabs the yellow bottle  
She likes the way it hits her lips  
She gets to the bottom  
It sends her on a trip so right  
She might be goin' home with me tonight And she looks like a model  
Except she got a little more ass  
Don't even bother  
Unless you've got that thing she likes  
Oh, I hope she's goin' home with me tonight Hey, those flashing lights come from everywhere  
The way they hit her I just stop and stare  
She's got me love stoned, man, I swear  
She's bad and she knows, I think that she knows She's freaky and she knows it  
She's freaky but I like it, yeah She shuts the room down  
The way she walks and causes a fuss  
The baddest in town  
She's flawless like some uncut ice  
Well, I hope she's goin' home with me tonight And all she wants is to dance  
That's why you'll find her on the floor  
But you don't have a chance  
Unless you move the way that she likes  
That's why she's goin' home with me tonight Hey, those flashing lights come from everywhere  
The way they hit her I just stop and stare  
She's got me love stoned, man, I swear  
She's bad and she knows, I think that she knows Those flashing lights seem to cause a glare  
The way they hit her I just stop and stare  
She's got me love stoned from everywhere  
She's bad and she knows, I think that she knows Now dance  
Little girl  
You're freaky but I like it  
Hot damn  
Let me put my funk on the guitar one time Those flashing lights come from everywhere  
The way they hit her I just stop and stare  
She's got me love stoned, man, I swear  
She's bad and she knows, I think that she knows Those flashing lights seem to cause a glare  
The way they hit her I just stop and stare  
She's got me love stoned from everywhere

She's bad and she knows, I think that she knows Those flashing lights come from everywhere  
The way they hit her I just stop and stare  
She's got me love stoned, man, I swear  
She's bad and she knows, I think that she knows Those flashing lights come from everywhere  
The way they hit her I just stop and stare  
She's got me love stoned  
I think I'm love stoned She's got me love stoned  
I think that she knows, think that she knows  
I think that she knows, think that she knows  
I think that she knows, think that she knows Those flashing lights come from everywhere  
The way they hit her I just stop and stare  
And I, I'm love stoned from everywhere  
And she knows, I think that she knows And now I walk around without a care  
She's got me hooked, it just ain't fair, but I  
I'm love stoned and I could swear  
That she knows, I think that she knows  
She knows, she knows
