

We'll Sing In the Sunshine

Dean Martin

We'll sing in the sunshine
We'll laugh everyday
We'll sing in the sunshine and I'll be on my way
I will never love you
The cost of loves to dear
but though I'll never love you
I'll stay with you one year
We can sing in the sunshine
Oh we'll laugh everyday
We'll sing in the sunshine and I'll be on my way
I'll sing to you each morning
and kiss you every night
but darling don't cling to me
I'll soon be out of sight
But we can sing in the sunshine
Yeah we'll laugh everyday
We'll sing in the sunshine and I'll be on my way
My daddy, he once told me
love can kill a man
Just take what woman gives yah'
and give just what you can
And you can can sing in the sunshine
You'll laugh everyday
You'll sing in the sunshine and be on your way
And when our year has ended
and I have done away
You'll often speak about me
and this is what you'll say
We sang in the sunshine
You know we laughed everyday
We sang in the sunshine
Since he was away
