

# Como una Flor

Jaci Velasquez

You are the one, there's no one else who lifts me up  
And gives me water from the well  
But there's a hole that seems to drain it all away  
And once again I'm left in fear and doubt  
When all my strength is crying out So here I am again  
Willing to be opened up and broken like a flower in the rain  
Tell me what have I to do, to die and then be raised  
To reach beyond the pain like a flower in the rain The evil wind, it blows a storm to rock my world  
Just when I think I'm safe and warm  
I'm led astray far too easily  
It's always hard for me to say I'm wrong  
Until I know I can't go on So here I am again  
Willing to be opened up and broken like a flower in the rain  
Tell me what have I to do, to die and then be raised  
To reach beyond the pain like a flower in the rain Lord, You have searched me  
And know when I sleep and when I rise  
You're familiar with all my ways  
Even the darkness will shine like the day  
When You look into my heart So here I am again  
Willing to be opened up and broken like a flower in the rain  
Tell me what have I to do, to die and then be raised  
To reach beyond the pain like a flower in the rain Like a flower in the rain
