

# Long Way From Home

## The Heavy

Got my mind like the Pope got God  
I got the blues well it seems so far  
Temptation all around the air that I breath  
But you ain't got to worry 'cause you tamed the beast  
And in the summer time  
That we lost  
Out of time and  
At a cost  
I need someone who can understand  
I'll never be a prophet in my own land When I'm a long way from home  
With so much pressure on my bones  
I'm such a long way from home  
But I'll be back soon Tongue tied on the telephone line  
You got the words to help me ease up my mind  
No one love me like the way that you love me so  
I got to tell you from the tip of my tongue  
'Cause I know where I'll find you  
I know just where you lie  
Always deep in my heart  
You're by my side I know it's hard  
When I'm a long way from home  
With so much pressure on my bones  
I'm such a long way from home  
But I'll be back soon (yeah) (I'm coming home)  
I know where I'll find you  
I know just where you lie  
Always deep in my heart  
You're by my side It's so hard  
When I'm a long way from home  
It's so much pressure on my bones  
I'm such a long way from home  
But I'll be back soon I'm gonna be back soon  
Oh, I'm gonna be back soon  
Daddy gonna be back soon, yeah
