

# Get Serious

## Imagination Movers

Everybody get dressed up, dressed up  
'Cause it's time to get serious, serious  
Tighten up, button up, everybody  
'Cause it's time to get serious, serious Don't dance, don't think  
Don't smile, don't wink  
Don't tweet, don't wiggle in your seat  
Yeah, don't skip, don't jump, don't giggle  
Don't do anything 'cause the fun has to stop Fun is fun  
But fun can be overrated  
What we want  
Is for you to be understated  
I knew a girl named Nina  
Who would laugh all the time  
So we dressed her up  
Just enough to make her less inclined  
To silliness, craziness  
Wackiness, delirious  
Instead she's got to clear her head  
And finally get serious Get in gear and hear us now  
Pick it up what I'm puttin' down  
No giggle, little chuckle, chortle  
Need some middle ground  
The harp, its strings, they need to sing  
But I kept it playing more  
We're dressing you so serious  
So welcome to the tour  
You say it's easy but it's tough, tough  
It should be simple but it's rough, rough  
I shouldn't giggle but I can't stop  
(giggles) Get Serious Don't dance, don't peep  
Don't smile, don't wink  
Don't tweet, don't wiggle in your seat  
Yeah, don't skip, don't jump, don't giggle, don't -  
Don't do anything 'cause the fun has to stop Fun is fun  
But fun can be overrated  
What we want  
Is for you to be understated Don't dance, don't wink, don't smile  
Get serious  
I shouldn't giggle but I can't stop

(giggles) Get serious!
