

# This Time the Dream's on Me

**Ella Fitzgerald & Nelson Riddle and His Orchestra**

Somewhere, someday  
We'll be close together, wait and see  
    Oh by the way,  
This time the dream's on meYou take my hand  
    and you look at me adoringly  
    But as things stand  
This time the dream's on meIt would be fun  
    To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry upon  
    To see you through  
    Till you're everything you want to be  
    It can't be true, but  
This time the dream's on me(bridge)It would be fun  
    To be certain that I'm the one  
To know that I, at least, supply the shoulder you cry upon  
    To see you through  
    Till you're everything you want to be  
    It can't be true, but  
This time the dream's on me
