Stain

Spineshank

Fall in denial of
I break I give into myself
Control, I break
I cannot be saved again
Before you take all that was to be mine
Give in because everything you taught will becomeBurned, in my mind
Burned, redefined
Burned, sterilized
Burned, why?Stain all the undeserved
Deny my insight has become
Control I break
Suffocate inside me
Before you take all that was to be mine
Break it down cause everything you taught will becomeBurned, in my mind
Burned, redefined
Burned, sterilized
Burned, why?
