What Am I Living For

Conway Twitty

Well, what am I living for if not for you
What am I living for if not for you
What am I living for if not for you
Baby, nobody else, nobody else will doWell, what am I longing for
Each lonely night
To feel your lips close to mine
And hold you tightWell, you'll be my only love
My whole life through
Baby, nobody else
Nobody else will doWell, I want you close to me
That's all I know
And I want you all the time
'Cause, darling, I love you soWhat am I living for if not for you
What am I living for if not for you
What am I living for if not for you
Baby, nobody else, nobody else will doWell, I want you close to me
That's all I know
And I want you all the time
'Cause, darling, I love you soOh, what am I living for if not for you
What am I living for if not for you
Yes, what am I living for if not for you
Baby, nobody else, nobody else will doBaby, nobody else, nobody else will do
