

# Five Long Years (older)

Buddy Guy

Lord, if you've ever been mistreated  
Then you got to, you got to know just what I'm talkin' about Yes, have you ever been mistreated?  
Then you got to, you got to know just what I'm talkin' about Lord I work five long years for one woman,  
And she had the, nerve, to kick me out I got a job at a steel mill,  
I'm shucking steel just like a slave  
Five long years, every Friday y'all I went straight home yeah,  
I went straight home Mistreated  
Then you got to,  
You got to know just what I'm talkin' about Lord I work five long years for one woman,  
And she had the nerve, to kick me out Lord but I finally learned a lesson,  
I should have known long time ago  
The next woman I marry, she gotta have two jobs,  
And she gotta go out and work long and bring some dough home Lord, said I been mistreated  
And you got to, you got to know just what I'm talkin' about Lord I work five long years for one woman,  
And she had the nerve, to kick me out Have you ever been mistreated?  
Then you got to,  
You got to know just what I'm talkin' about Yes, have you ever been mistreated?  
Then you got to,  
You got to know just what I'm talking about? Lord I work five long years for one woman,  
And she had the nerve to kick me out I got a job at a steel mill,  
I'm shucking steel just like a slave  
Five long years, every Friday yes y'all I went straight home,  
I went straight home with all my pay Yes, I've been mistreated  
And you got to,  
You got to know just what I'm talking about Lord I work five long years for one woman,  
And she had the nerve, to kick me out Lord,  
I finally learned a lesson,  
I should have known a long time ago  
The next woman I marry, she gotta have two jobs,  
And she gotta go out and work and bringing home some dough I've been mistreated,  
And you, you know just what I'm talking about I work five long years for one woman,  
And she had the nerves to kick me out
