

# Heatwave

## The Jam

Whenever I'm with you, something inside (something inside)  
Starts burning and my heart's filled with fire  
Stop this, it's got a hold on me  
I said this ain't the way it's supposed to be

It's like a heatwave burning in my heart (heatwave)  
Gotta keep from crying (heatwave)  
Tearing me apart (heatwave)

Whenever she calls my name, sounds so soft, sweet and plain  
Right then, right there, I feel this burning pain  
This high blood pressure's got a hold on me  
I said this ain't the way love's supposed to be

It's like a heatwave burning in my heart (heatwave)  
Gotta keep from crying (heatwave)  
Tearing me apart (heatwave)

Yeah, yeah, yeah, yeah (oh, yeah)  
Oh yeah, oooh yeah  
Oh yeah (oh, yeah), oh yeah (aaaah)  
High blood pressure's got a hold on me  
I said this ain't the way love's supposed to be

It's like a heatwave burning in my heart (heatwave)  
I gotta keep from crying (heatwave)  
Tearing me apart (heatwave)

Whenever I'm with you, something inside (something inside)  
Starts burning and my heart's filled with fire  
Something's got me amazed  
Don't know what to do, my head's in a haze

It's like a heatwave burning in my heart (heatwave)  
I gotta keep from crying (heatwave)  
Tearing me apart (heatwave)

Yeah, yeah, yeah, yeah (oh, yeah)  
Oh yeah, oooh yeah  
Oh yeah (oh, yeah), oh yeah (aaaah)

This high blood pressure's got a hold on me  
I said this ain't the way love's supposed to be  
It's like a heatwave
